Stainless Steel - 0.6mm

You can select from this outstanding range of quality sinkware at very affordable prices for your next building project, renovation or building

upgrade. Novelli's sinkware collection features quality 18/10 grade stainless steel that is 0.8mm thick on all inset sinks (except Project Series) and troughs.

The Undermount models are 1mm thick. All Novelli Sinkware are supplied standard with deluxe basket wastes, reinforced tap landings, sound proof

drainers and bowls. Novelli Sinkware is fully backed by a ten year manufacturers warranty and available Australia-wide (excluding W.A.).
